Important Information *(If removing an Authorized Signer from your credit card account)*

This form is to remove authorized signers only and cannot be used to remove secondary cardholders.

If the physical card or the card number and expiration date is still in the possession of the authorized signer, the authorized signer will still be able to make purchases as if they not been removed from the account. You remain responsible for any and all charges made by the authorized signer. If this is a concern, we advise our members to get a new card number issued by reporting the current card number lost/stolen in digital banking or by calling (800) 449-7728.

If you do decide to do so, please update all your records to direct future charges and payments to the new card number given. Your new card will be sent to you upon account review in 7-10 days after reported lost/stolen.
